

Form Data Collection Example

Powered by [guidde](#)

The screenshot shows the FieldPie 'Custom Form' configuration page. On the left is a sidebar with navigation links: Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main area is titled 'Custom Form' and includes a user profile 'admin' in the top right. The form configuration includes a 'Restrict to Main Customer' dropdown, a 'Required Form' dropdown, and a 'Scored Form' checkbox. Below these are sections for 'INFORMATIVE FILES' (with an 'ADD (png, jpeg, jpg)' button) and 'FIELDS' (with a table header: NAME, REQUIRED, TYPE, READ ONLY). The 'FIELDS' section contains '+ ADD FIELD' and '+ ADD TABLE' buttons. At the bottom are 'WORKFLOWS', 'CLEAR', and 'SAVE' buttons. A large red play button is centered over the form configuration area.

00 Introduction

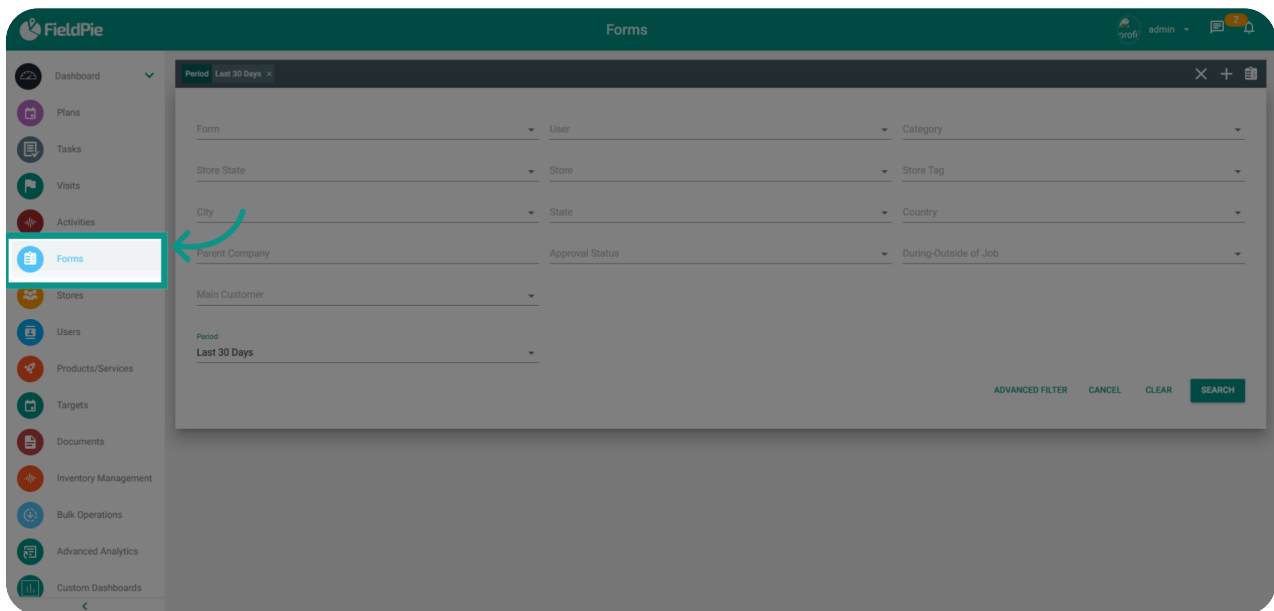

This tutorial explains how to add and configure form fields such as Barcode, Photo, Signature, Money, and Single Line Text to capture information efficiently in FieldPie.

The screenshot shows the FieldPie 'Custom Form' configuration page. On the left is a sidebar with navigation icons for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main area is titled 'Custom Form' and contains several configuration options: 'Restrict to work Under Types' (a dropdown menu), 'Restrict to Main Customer' (a dropdown menu), and 'Required Form' (a dropdown menu). Below these is a checkbox for 'Scored Form'. Under the heading 'INFORMATIVE FILES:', there is a file upload button labeled 'ADD (png, jpeg, jpg)'. Below that is a section titled 'FIELDS:' which contains a table with columns: NAME, REQUIRED, TYPE, and READ ONLY. The table is currently empty, with '+ ADD FIELD' and '+ ADD TABLE' buttons below it. At the bottom left of the main area is a 'WORKFLOWS' button with a dropdown arrow. At the bottom right are 'CLEAR' and 'SAVE' buttons.

NAME	REQUIRED	TYPE	READ ONLY
------	----------	------	-----------

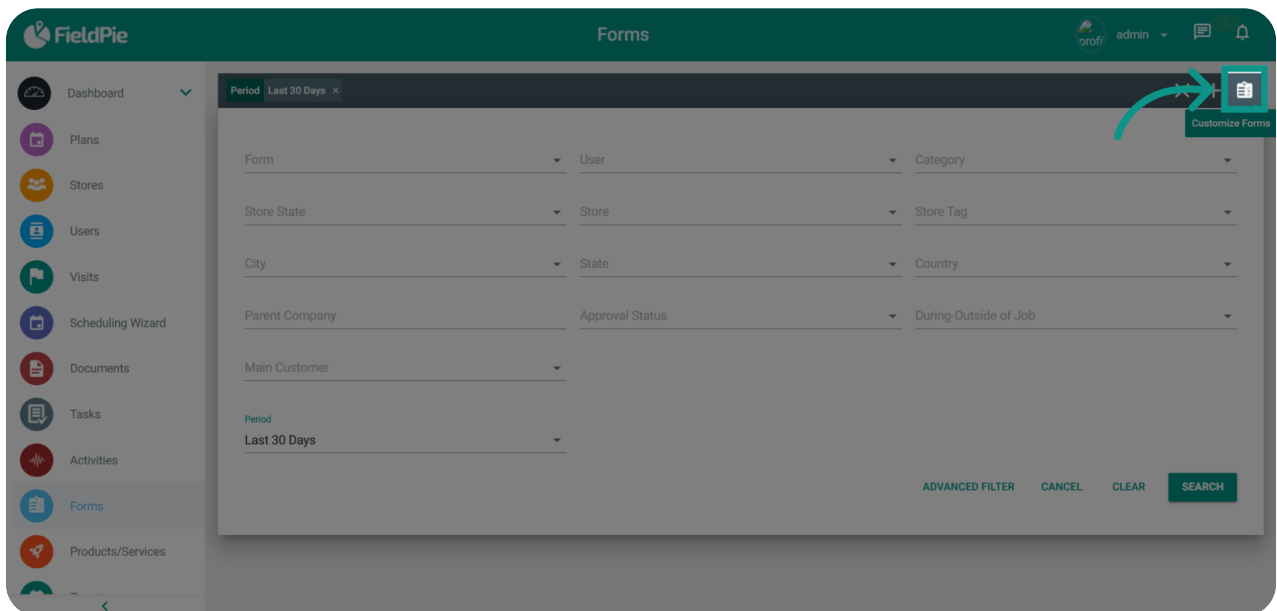

01 Access Forms Section

From the left navigation menu, select "Forms".

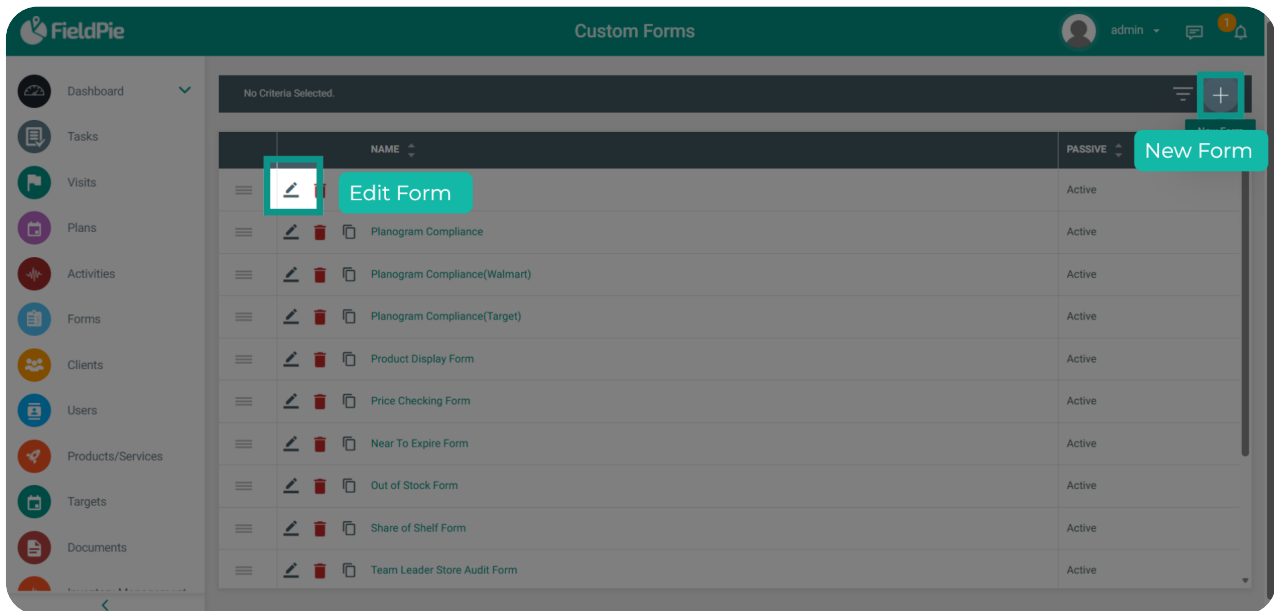

02 Proceed To Next Step

Click the Form icon in the upper-right corner.

03 Open Custom Forms Section

Click the plus icon to access the Custom Forms section, or click the pencil icon to edit an existing form.

04 Add New Custom Field

Scroll down to the bottom of the page, then click + Add Field.

05 Remove Current Field Type

Enter a field name, then select the appropriate field type from the list.

The screenshot shows the FieldPie Custom Form editor. A modal window is open for adding a new field. The modal has a table with the following columns: NAME, REQUIRED, TYPE, and READ ONLY. The first row shows a field named 'Barcode' with a red icon, which is highlighted. Below the table are buttons for '+ ADD FIELD' and '+ ADD TABLE'. The background shows the main form configuration area with sections for 'Restrict to Work Under Types', 'Required Form', 'INFORMATIVE FILES', and 'FIELDS'.

08 Choose Single Line Text Type

Click "Single Line Text" to assign this field a single line text input type.

09 Remove Existing Field Type

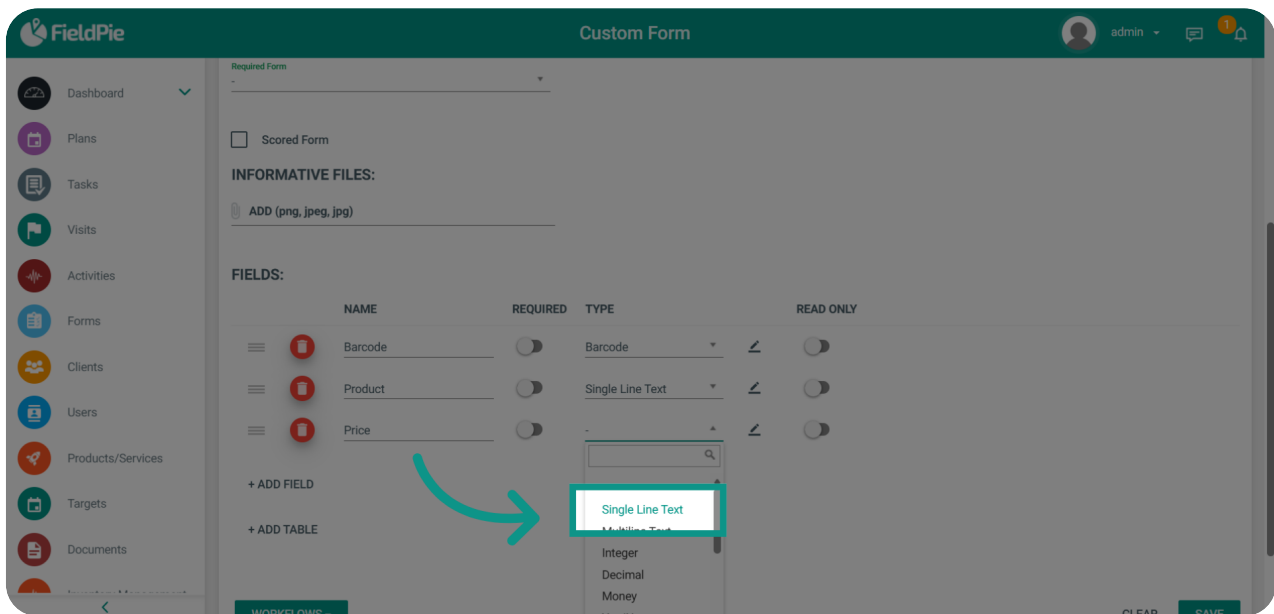

Add a field for Price.

The screenshot shows the FieldPie Custom Form editor. The interface includes a sidebar with navigation options: Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main area is titled 'Custom Form' and shows a 'Required Form' dropdown. Below this, there is a 'Scored Form' checkbox and an 'INFORMATIVE FILES' section with an 'ADD (png, jpeg, jpg)' button. The 'FIELDS' section contains a table with columns: NAME, REQUIRED, TYPE, and READ ONLY. The table lists three fields: Barcode, Product, and Price. The 'Price' field is highlighted with a red box. Below the table, there are buttons for '+ ADD FIELD' and '+ ADD TABLE'. At the bottom right, there are 'CLEAR' and 'SAVE' buttons.

NAME	REQUIRED	TYPE	READ ONLY
Barcode	☐	Barcode	☐

12 Choose Selection Field Type

and select Selection as the field type.

13 Open Field Type Menu

Create a field called Shelf or Promo Price.

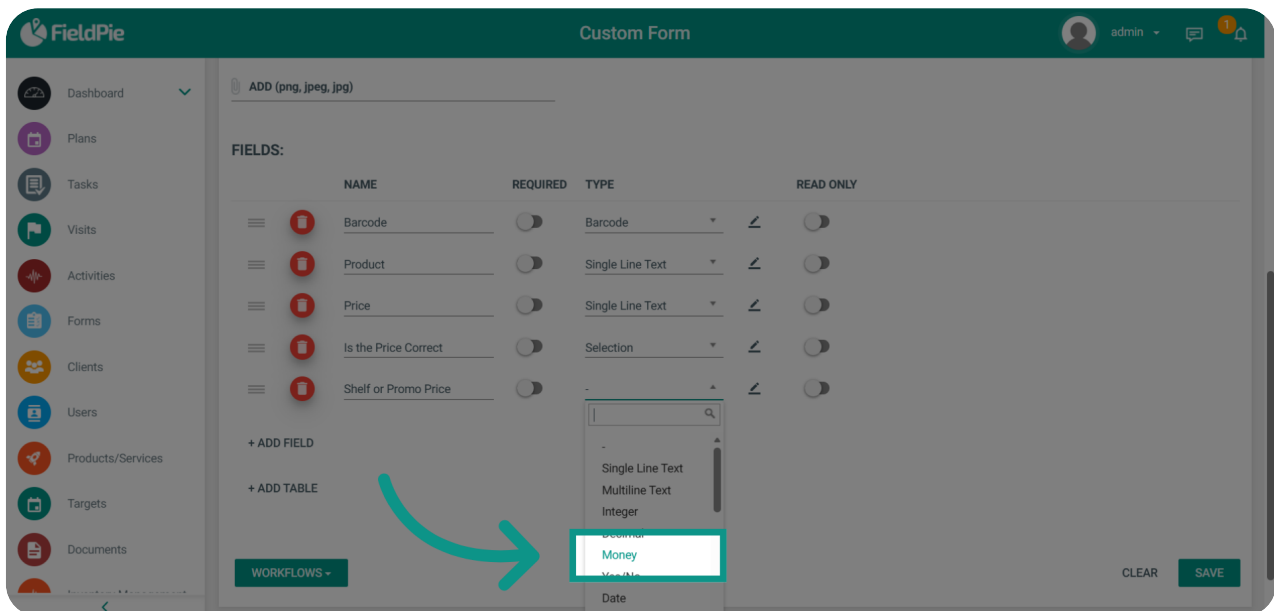

The screenshot shows the FieldPie Custom Form editor interface. On the left is a sidebar with navigation icons for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main area is titled 'Custom Form' and shows a list of fields under the heading 'FIELDS:'. The fields are:

	NAME	REQUIRED	TYPE	READ ONLY
≡	Barcode	☐	Barcode	☐
≡	Product	☐	Single Line Text	☐
≡	Price	☐	Single Line Text	☐
≡	Is the Price Correct	☐	Selection	☐
≡		☐		☐

Below the fields list are buttons for '+ ADD FIELD' and '+ ADD TABLE'. At the bottom left is a 'WORKFLOWS' button, and at the bottom right are 'CLEAR' and 'SAVE' buttons. A red arrow points to the 'Type' dropdown menu of the new field being added.

14 Select Money Field Type

Choose Money to capture currency values.

15 Access Field Type Options

Add a new field named Photo

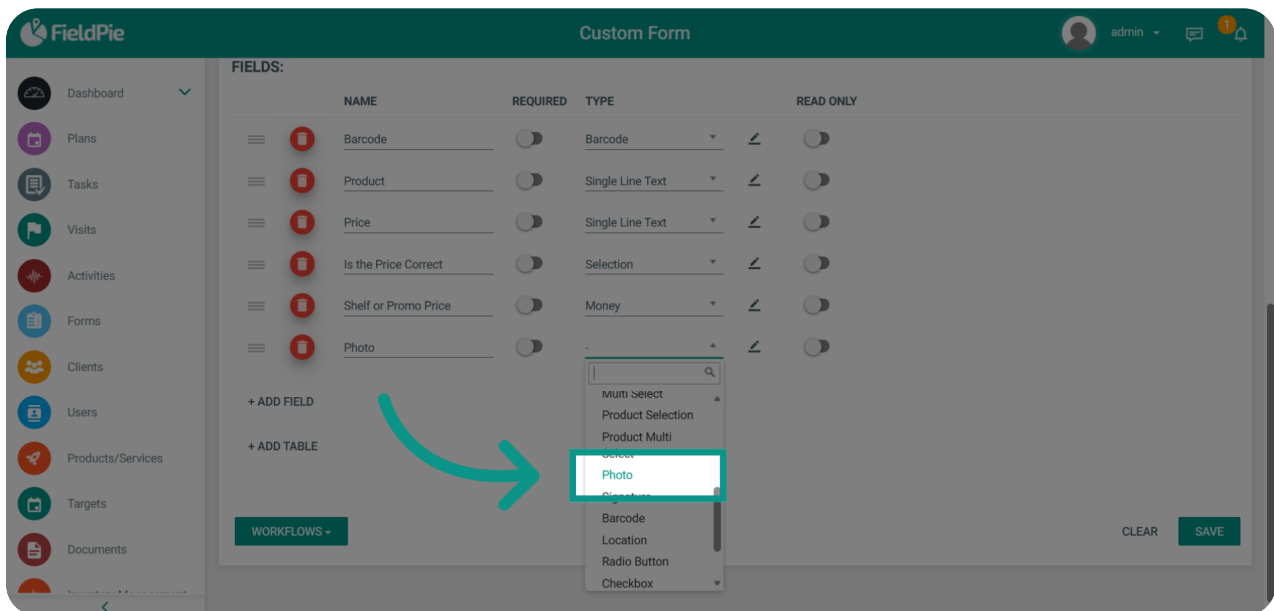

The screenshot shows the FieldPie Custom Form editor. On the left is a sidebar with navigation icons for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main area is titled 'Custom Form' and shows a list of fields under the heading 'FIELDS:'. Above the list is a button 'ADD (png, jpeg, jpg)'. The fields list has columns for NAME, REQUIRED, TYPE, and READ ONLY. The fields listed are: Barcode, Product, Price, Is the Price Correct, Shelf or Promo Price, and a new field with an empty name. A red box highlights the new field's name input, and a red arrow points to its 'REQUIRED' toggle switch. Below the list are buttons for '+ ADD FIELD' and '+ ADD TABLE'.

	NAME	REQUIRED	TYPE	READ ONLY
≡	Barcode	☐	Barcode	☐
≡	Product	☐	Single Line Text	☐
≡	Price	☐	Single Line Text	☐
≡	Is the Price Correct	☐	Selection	☐
≡	Shelf or Promo Price	☐	Money	☐
