00 Introduction

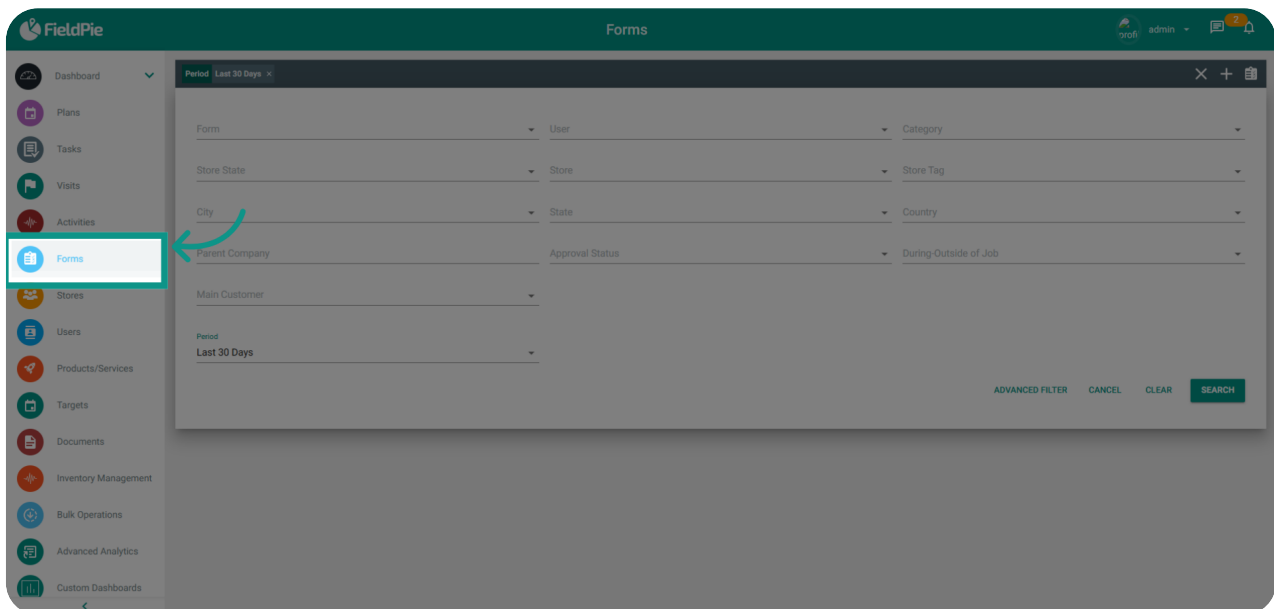

This tutorial guides you through Form Access, Visibility & Restriction Settings.

The screenshot displays the 'Custom Form' configuration interface in the FieldPie application. The interface features a teal header with the 'FieldPie' logo, the title 'Custom Form', and a user profile 'admin' with a dropdown arrow, a chat icon, and a notification bell. A left sidebar contains a vertical menu of icons and labels: Dashboard (checked), Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main content area is divided into two columns: 'Name' and 'Information'. The 'Name' column includes checkboxes for 'Passive', 'Online form', 'Restrict Client Access', and 'Restrict User Access', followed by dropdown menus for 'Visibility', 'Restrict to Work Order Types', and 'Restrict to Main Customer', and a 'Required Form' dropdown. The 'Information' column includes checkboxes for 'Only Once in a Visit' and 'Copy From Last Form', a 'Scored Form' checkbox, and an 'INFORMATIVE FILES:' section with an 'ADD (png, jpeg, jpg)' button. A back arrow is located at the bottom left of the sidebar.

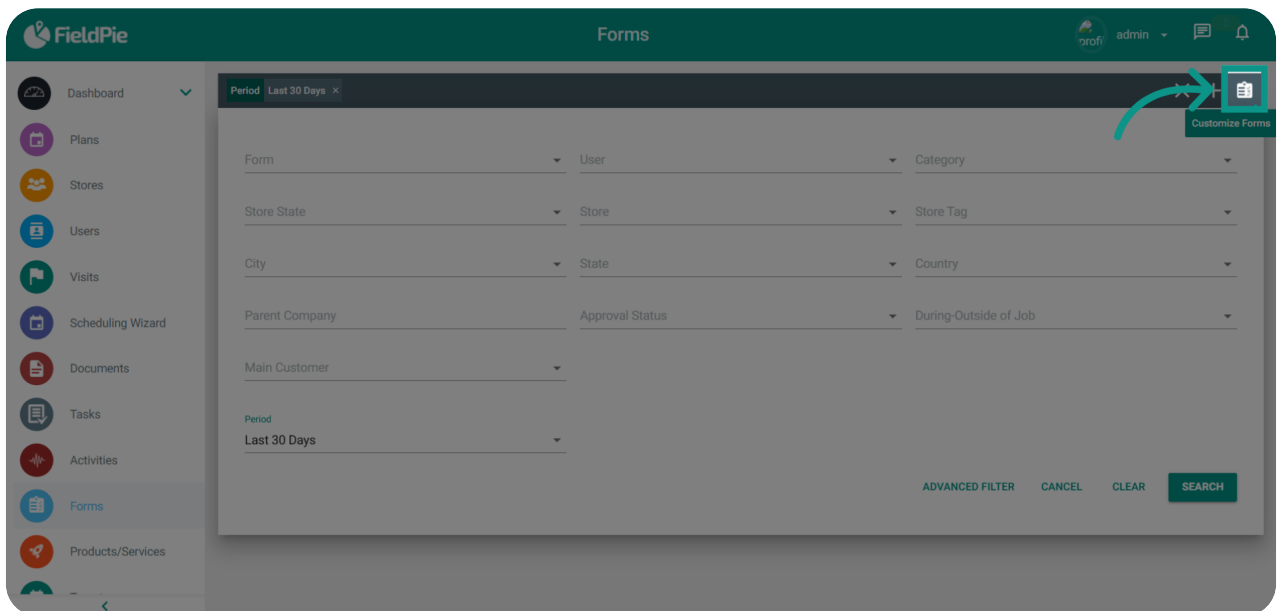

01 Access Forms Section

From the left navigation menu, select "Forms".

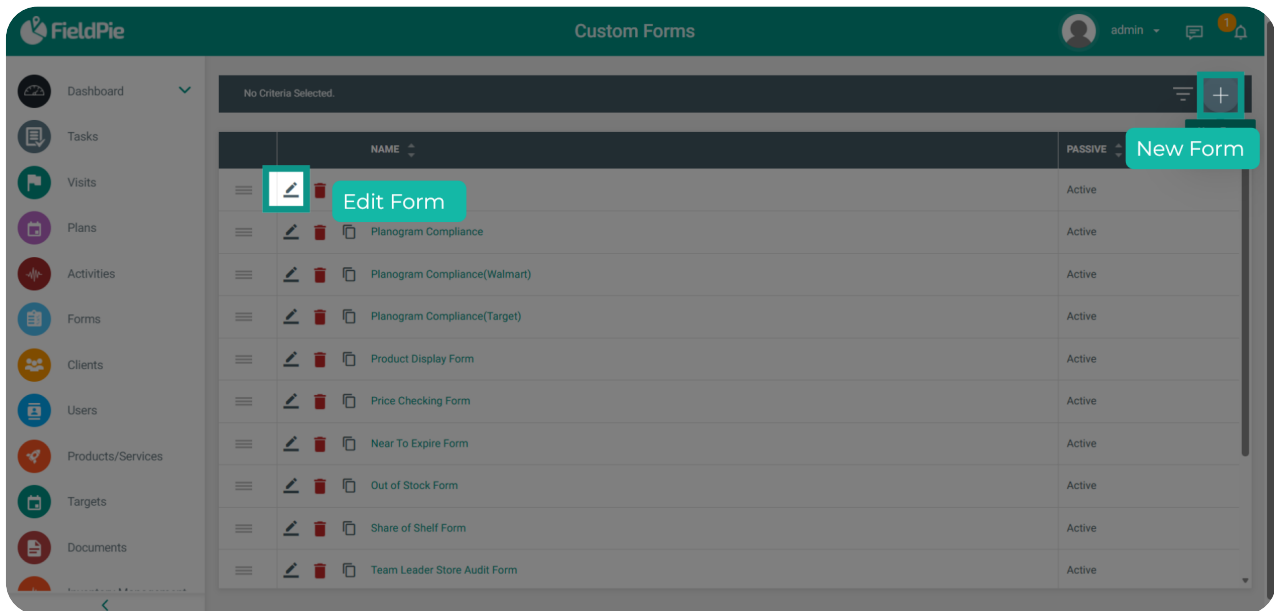

02 Proceed To Next Step

Click the Form icon in the upper-right corner.

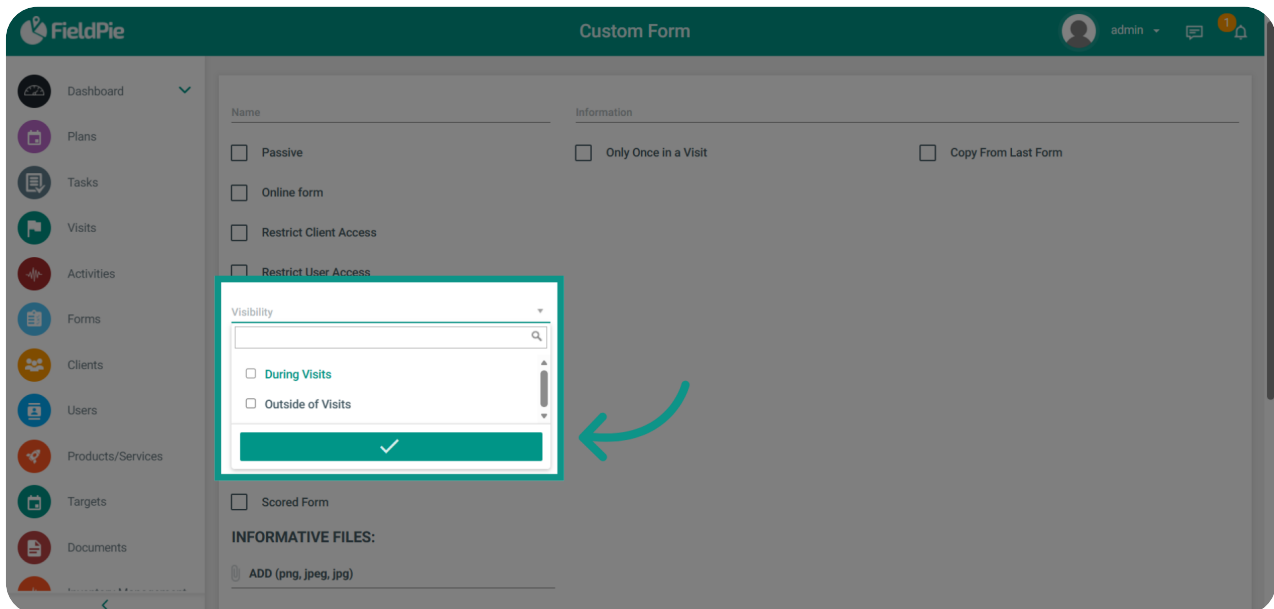

03 Open Custom Forms Section

Click the plus icon to access the Custom Forms section, or click the pencil icon to edit an existing form.

04 Select During Visits Option

From the Visibility settings, choose whether the form should be available During Visit or Out of Visit.

05 Access Promotion Setup

Use the Restrict to Work Order Type setting to define which Work Order Types can access the form.

The screenshot displays the FieldPie 'Custom Form' configuration page. On the left is a sidebar with navigation icons for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main area is titled 'Custom Form' and contains various settings. A modal dialog box titled 'Restrict to Work Order Types' is open, showing a search bar and a list of two options: 'Regular Merchandising' and 'Promotion Setup'. The 'Promotion Setup' option is highlighted with a teal bar and a checkmark. A teal arrow points from this option to the 'Restrict to Work Order Types' setting in the background form. The background form also includes checkboxes for 'Passive', 'Online form', 'Restrict Client Access', 'Restrict User Access', 'Only Once in a Visit', 'Copy From Last Form', and 'Client required when filling out outside of Visit'. There are also tabs for 'During Visits' and 'Outside of Visits' under the 'Visibility' section.

06 Open Further Configuration

For example, you can make the form available only for Promotion Setup, only for Regular, or for both Work Order Types.

The screenshot displays the FieldPie 'Custom Form' configuration interface. On the left is a sidebar with navigation icons for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main area is titled 'Custom Form' and contains two sections: 'Name' and 'Information'. The 'Name' section includes checkboxes for 'Passive', 'Online form', 'Restrict Client Access', and 'Restrict User Access'. The 'Information' section includes checkboxes for 'Only Once in a Visit', 'Copy From Last Form', and 'Client required when filling out outside of Visit'. Below these is a 'Visibility' section with tabs for 'During Visits' and 'Outside of Visits'. A modal dialog box titled 'Restrict to Work Order Types' is open, showing a search bar and two checked items: 'Regular Merchandising' and 'Promotion Setup'. A green checkmark button is at the bottom of the dialog. Below the dialog is an 'INFORMATIVE FILES:' section with an 'ADD (png, jpeg, jpg)' button.

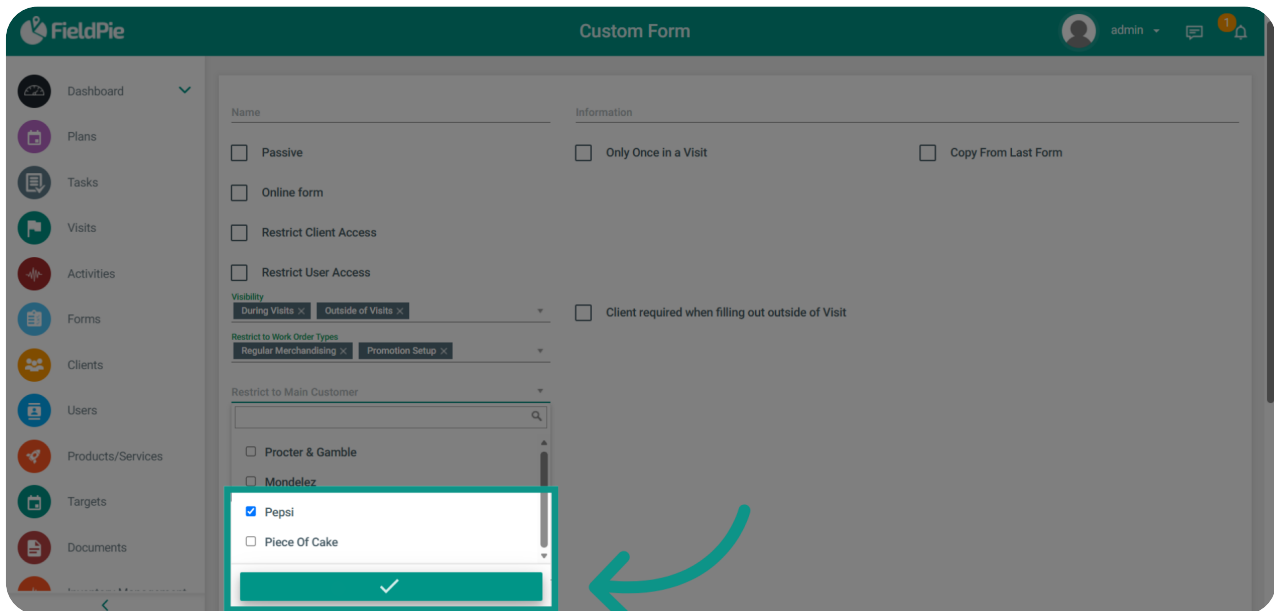

07 Select Pepsi Customer

Use the "Restrict to Main Customer" setting to specify which Main Customer(s) the form will be available for.

The screenshot displays the FieldPie 'Custom Form' configuration interface. On the left is a sidebar with navigation icons for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main area is titled 'Custom Form' and contains two columns: 'Name' and 'Information'. The 'Name' column includes checkboxes for 'Passive', 'Online form', 'Restrict Client Access', and 'Restrict User Access'. The 'Information' column includes checkboxes for 'Only Once in a Visit' and 'Copy From Last Form'. Below these are sections for 'Visibility' (with tabs for 'During Visits' and 'Outside of Visits') and 'Restrict to Work Order Types' (with tabs for 'Regular Merchandising' and 'Promotion Setup'). A modal dialog box titled 'Restrict to Main Customer' is open in the foreground, featuring a search bar and a list of customers with checkboxes: 'Procter & Gamble', 'Mondelez', 'Pepsi' (highlighted in blue), and 'Piece Of Cake'. A green checkmark button is at the bottom of the dialog.

08 Access Next Settings Section

You can select a single or multiple main customers to make the form available only to those assigned users.

The screenshot displays the 'Custom Form' settings interface in the FieldPie application. The left sidebar contains navigation links for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main content area is divided into two sections: 'Name' and 'Information'. The 'Name' section includes checkboxes for 'Passive', 'Online form', 'Restrict Client Access', and 'Restrict User Access'. The 'Information' section includes checkboxes for 'Only Once in a Visit' and 'Copy From Last Form'. Below these, there are tabs for 'Visibility' (During Visits, Outside of Visits) and 'Restrict to Work Order Types' (Regular Merchandising, Promotion Setup). The 'Restrict to Main Customer' dropdown menu is open, showing a list of customers: 'Procter & Gamble', 'Mondelez', 'Pepsi' (selected with a blue checkmark), and 'Piece Of Cake'. A green arrow points to the 'Pepsi' option in the dropdown menu.

09 Select User Option

Use the Restrict User Access setting to limit who can access the form.

The screenshot displays the FieldPie 'Custom Form' configuration page. On the left is a sidebar with navigation icons for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. A teal arrow labeled 'Click' points to the 'Restrict User Access' option in the 'Forms' section. The main content area is titled 'Custom Form' and contains several settings. A modal window is open for 'Restrict User Access', which is checked. The modal has two tabs: 'During Visits' (selected) and 'Outside of Visits'. Under 'During Visits', there are three expandable sections: 'Restrict to Work Order Types' (showing 'Regular Merchandising' and 'Promotion Setup'), 'Restrict to Main Customer' (showing 'Pepe'), and 'Required Form'. To the right of the modal is a 'Restrict By' dropdown menu with a search icon and a list of options: User, Skill, Team, and Role. The background settings include checkboxes for 'Passive', 'Online form', 'Restrict Client Access', 'Only Once in a Visit', 'Copy From Last Form', and 'Scored Form'. At the bottom, there is an 'INFORMATIVE FILES' section with an 'ADD (png, jpeg, jpg)' button.

10 Choose Anthony Clark

Select the users who should be allowed to view and complete the form.

The screenshot shows the FieldPie 'Custom Form' configuration interface. A modal dialog titled 'Restrict By User' is open, allowing selection of users for form access. The background interface includes a sidebar with navigation options (Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, Documents) and a main configuration area with sections for 'Name', 'Information', 'Visibility', 'Restrict to Work Order Types', 'Restrict to Main Customer', 'Required Form', and 'INFORMATIVE FILES'.
