00 Introduction

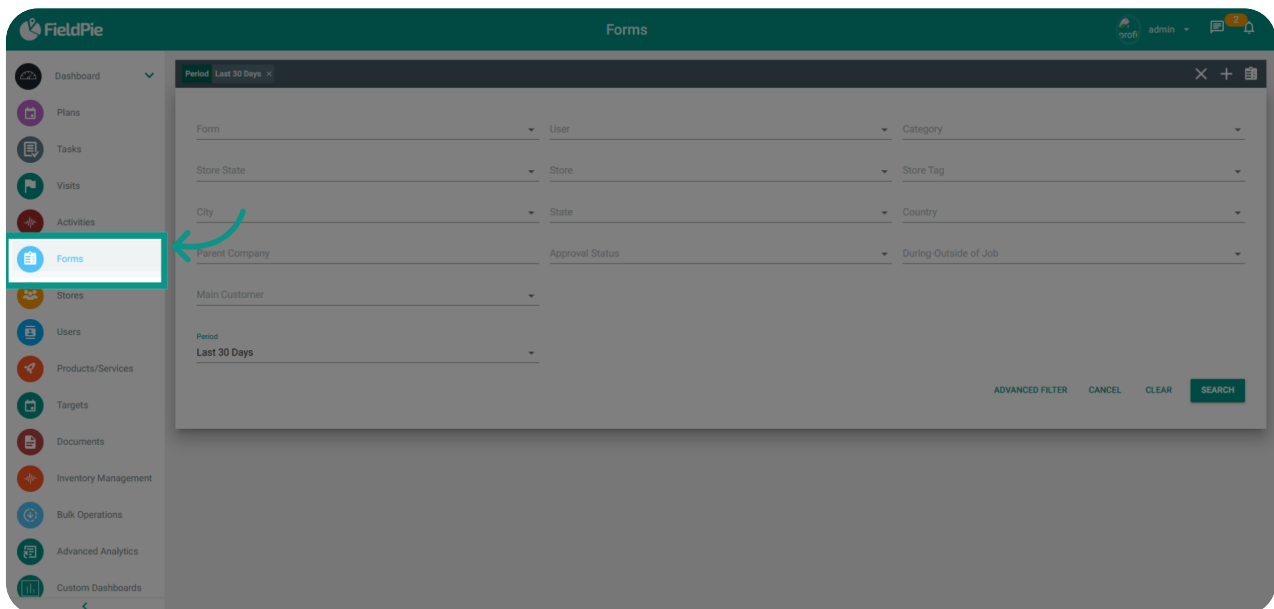

This tutorial guides you through creating Online Forms in FieldPie. Online Forms allow you to collect information without requiring users to access the FieldPie applications. You can use them for various purposes, such as customer satisfaction surveys, service requests, or application forms.

The screenshot displays the 'Custom Form' configuration page in the FieldPie application. The interface features a teal header with the 'FieldPie' logo, the title 'Custom Form', and a user profile 'admin'. A left sidebar contains a navigation menu with icons and labels for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main content area is divided into two sections: 'Name' and 'Information'. The 'Name' section includes a text input field containing 'Product Availability'. The 'Information' section contains several checkboxes: 'Passive', 'Online form', 'Restrict Client Access', 'Restrict User Access', 'Only Once in a Visit', and 'Copy From Last Form'. Below these are three dropdown menus labeled 'Visibility', 'Restrict to Work Order Types', and 'Restrict to Main Customer'. A 'Required Form' dropdown is also present. At the bottom, there is a 'Scored Form' checkbox and an 'INFORMATIVE FILES:' section with an 'ADD (png, jpeg, jpg)' button.

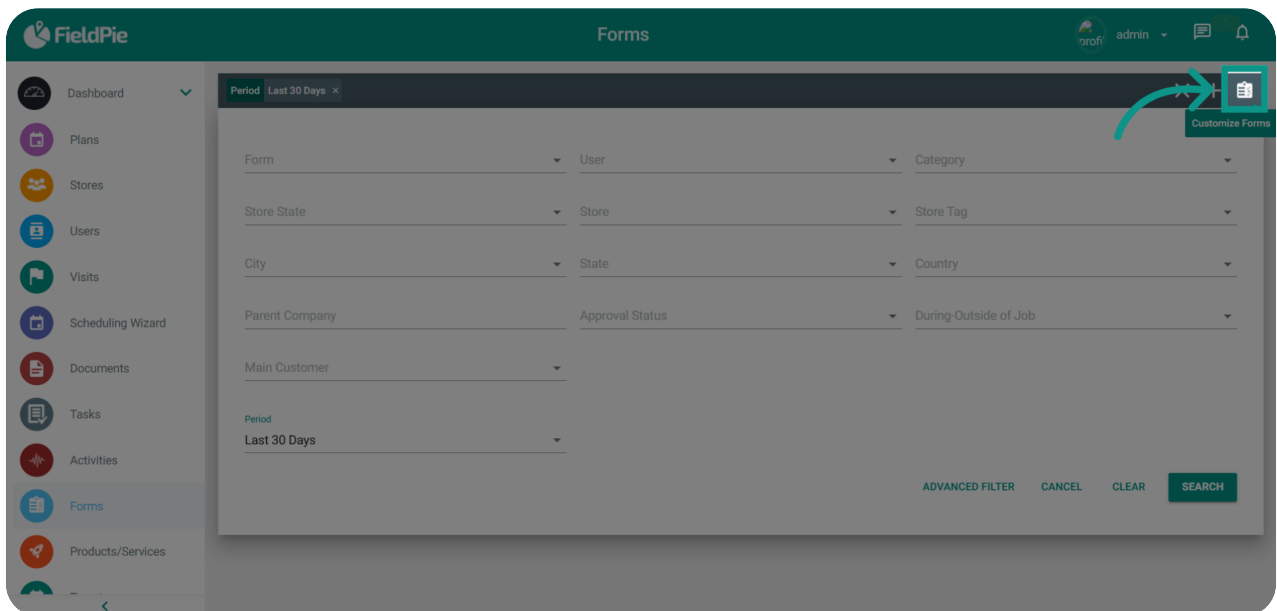

01 Access Forms Section

From the left navigation menu, select "Forms".

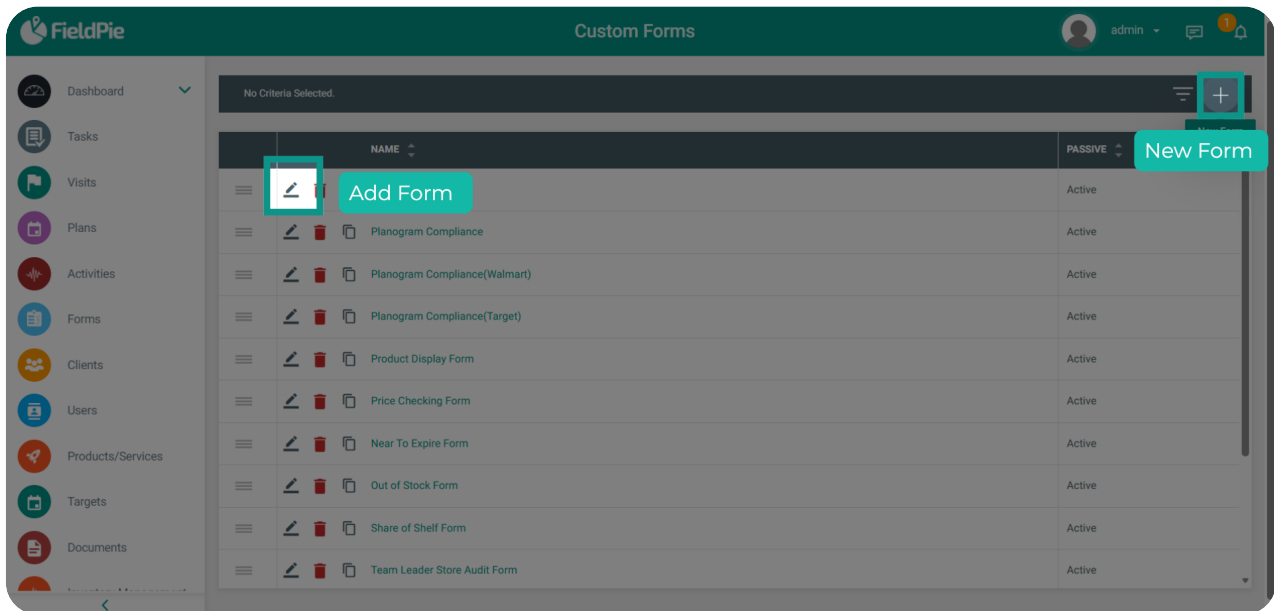

02 Proceed To Next Step

Click the Form icon in the upper-right corner.

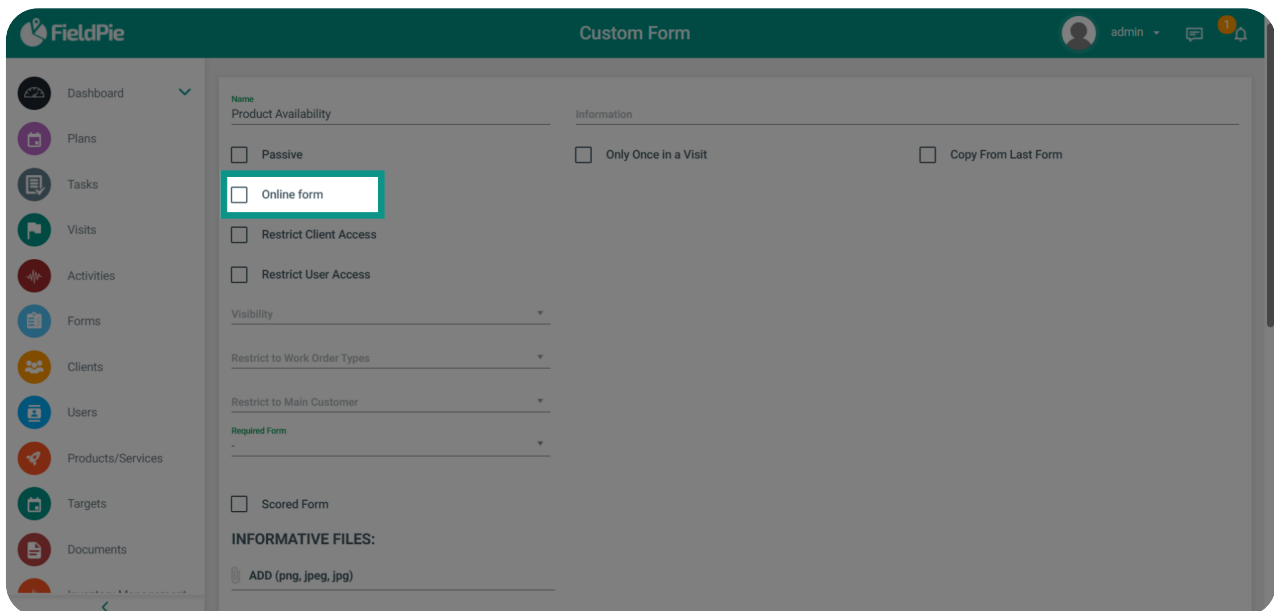

03 Open Custom Forms Section

Click the plus icon to access the Custom Forms section, or click the pencil icon to edit an existing form.

04 Access Custom Form Options

Check the Online Form option to enable online form access.

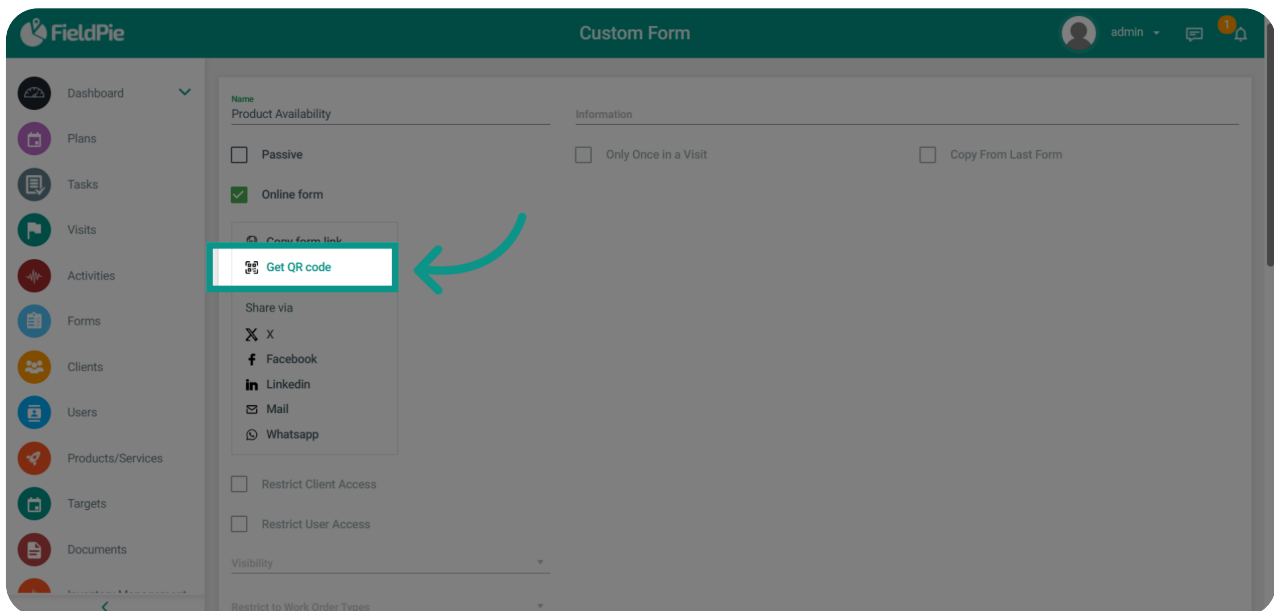

The screenshot shows the FieldPie 'Custom Form' configuration page. On the left is a sidebar with navigation icons for Dashboard, Plans, Tasks, Visits, Activities, Forms, Clients, Users, Products/Services, Targets, and Documents. The main content area is titled 'Custom Form' and features a dark green header with the FieldPie logo and a user profile 'admin'. The form configuration is divided into two columns: 'Name' and 'Information'. The 'Name' column contains the form title 'Product Availability' and several checkboxes: 'Passive', 'Online form' (highlighted with a red box), 'Restrict Client Access', and 'Restrict User Access'. Below these are dropdown menus for 'Visibility', 'Restrict to Work Order Types', 'Restrict to Main Customer', and 'Required Form'. The 'Information' column contains checkboxes for 'Only Once in a Visit' and 'Copy From Last Form'. At the bottom, there is a section for 'INFORMATIVE FILES' with an 'ADD (png, jpeg, jpg)' button.
